

SAINT  DOMINIC  
CATHOLIC CHURCH

Dear Parishioner,

Saint Dominic Parish is ready to embark upon an amazing journey through which our entire parish will experience the depth, breadth, and height of God's Grace, and will empower us to share this Grace with our community. In spite of the hardships of the past few years, God has been preparing us for all that He is going to do in and through our "Renew & Rejoice" campaign which will rebuild our campus and construct our Community Center. We believe that God is leading us to initiate this capital campaign to expand His kingdom in Bay County

I invite you now to play a key leadership role in realizing this dream: building the Msgr. Crowe Community Center that will reach current and future generations. In the enclosed brochure there is a "campaign pyramid" that serves as a guide as to the types and quantity of gifts that will be needed for our campaign to be successful in achieving our goal. The minimum goal of our project is \$3.2 million. Should your circumstances permit, we invite you to consider a commitment from one of the gift plans below. Your sacrificial gift will help inspire the remainder of our parish to join our efforts to realize this goal. This is a significant amount, but it will allow us to do great things. I ask you to pray about this pledge, particularly in the context of the life-changing impact this will make for our Parish, as well as in the lives of the people we serve.

Thank you for your consideration, and God bless,

Rev. Michael Nixon, Pastor
